Call for Tutorials

ISIT 2027 seeks half-day tutorial proposals, which should provide clear and focused teaching material covering new and emerging topics within the scope of the conference.

The tutorial proposal should describe concisely the content, importance, and timeliness of the tutorial. It should contain the following sections:

- Title of tutorial.
- Tutorial abstract.
- Importance and timeliness of tutorial.
- Outline of the tutorial.
- Name(s) of tutorial lecturer(s). If there are multiple lecturer(s), a distribution of the tutorial content among them.
- Brief CVs for each tutorial lecturer (no more than 300 words per person).
- Previous lecture and tutorial experience of the tutorial speaker(s).
- Whether similar tutorials have been presented at previous ISITs or cognate conferences (e.g., ICASSP, ICC) and, if so, how this tutorial differs in scope.
- Whether the tutorial is part of a full-day workshop-plus-tutorial proposal (see Call for Workshop).
